

### Description

The FIX-S is a new design Fixed screen with a slim frame of only 7mm all round. It presents a modern and elegant look. The screen is supported by heavy duty ladder aluminum profile to keep it horizontally straight and flat.

It can be produced in any format up to 6m in width. For wall mounting, the mounting brackets offer the flexibility of horizontal shifting to achieve the best positioning.

The FIX-S is ideal for office meeting room and home theater application.
